Welcome to Studio 550 Art Center

Studio 550 is a community art center that brings people together with the arts. All classes are open to the complete beginner, but there are opportunities available for more experienced makers as well. Established in 2013, it hosts two fully equipped clay studios, a glaze lab with 18+ glazes, a handmade gift shop, and separate studios for stained glass, dance/movement, and 2-D arts.

Who is a membership good for?

Membership program is best for:

- Studio 550 students who have taken 3-4 class sessions or more, and are self-directed
- People who have taken 2 semesters or more of college level ceramics
- Hobby potters who can work safely, keep their workspace clean & create without assistance

Membership is NOT GOOD FOR:

- Studio 550 Students who have been with us for less than 3 full sessions or
- Studio 550 students who are not comfortable with the clay process, who cannot successfully wedge, center, throw, clean thoroughly, or glaze without assistance
- Students who are still acquiring basic clay processes or need a lot of help step by step
- People who took clay in high school, but not since then

Membership can sometimes work for:

- Serious potters who already have a solid studio practice and produce a lot. We have limited storage. Members in need of more storage beyond their half shelf can rent an extra half shelf. There is a limited number of these available. Please ask for current pricing.
